

**First Climate is one of the prime Carbon Asset Management firms in Europe. We are a leading provider of carbon offset services, trading and advisory, with a strong global market presence in sourcing and procuring carbon credits.**

To strengthen our team, we are looking for:

## Senior/Junior Fund Managers

*Position located in Bad Vilbel/Frankfurt (Germany) or London (UK)*

You will take over the responsibility for a portfolio of institutional accounts and, at an operation level, for investment decisions in projects located in European or developing countries. In addition, you will play a key role in the company's business development activities.

### Key Responsibilities

- Provide Carbon Fund Advisory Services
- Take investment decisions in the CO<sub>2</sub> component of the carbon abatement or related projects
- Manage carbon credit project portfolios
- Report business activities and results to investors

### Specific Requirements

You hold a university degree and have minimum 5 years of relevant trading experience with exposure to commodities. In-depth knowledge of the European Emission Trading Scheme, the Flexible Mechanisms of the Kyoto Protocol and the international Carbon Market is an advantage. You are a highly self-motivated and communicative individual with leadership experience. You are proficient in English, knowledge of other languages like German, French or Spanish is an asset. Willingness to travel is expected.

### To Apply

Please send your electronic application to the Head Human Resources Management
