

First Climate is one of the prime Carbon Asset Management firms in Europe. We are a leading provider of carbon offset services, trading and advisory, with a strong global market presence in sourcing and procuring carbon credits.

To strengthen our team, we are looking for:

Carbon Hedge Fund Trader

Position located in Bad Vilbel/Frankfurt (Germany) or London (UK)

You will be responsible for developing a Hedge Fund Strategy for the European Environmental Markets (i.e. European Emission Trading Scheme).

Key Responsibilities

- Provide Fund Advisory Services for the Carbon Hedge Fund
- Develop arbitrage and directional trading strategies
- Contribute to the further development of the company's Risk and Portfolio management system
- Report market activities and results to investors
- Support sales activities

Specific Requirements

You hold a university degree and have minimum 5 years of relevant trading experience with exposure to commodities. In-depth knowledge of the European Emission Trading Scheme, the Flexible Mechanisms of the Kyoto Protocol and the international Carbon Market is an advantage. You are a highly self-motivated and communicative individual with leadership experience. You are proficient in English, knowledge of other languages like German, French or Spanish is an asset.

To Apply
