

First Climate is one of the prime Carbon Asset Management firms in Europe. We are a leading provider of carbon offset services, trading and advisory, with a strong global market presence in sourcing and procuring carbon credits.

To strengthen our team, we are looking for:

Manager Operations

Position located in Luxembourg

You will be responsible for the settlement, administration and monitoring of our spot and term purchase and sale agreements of Carbon Emissions Allowances or Emission Reduction Certificates. You will execute OTC- and exchange traded-transactions and ensure timely payment and delivery. You will reconcile our records with national or international registries and monitor liquidity and margin positions. You will be part of a small team in our Luxembourg based Asset Management Company and cooperate with colleagues and counterparties all over the world.

Key Responsibilities:

- Monitoring and administration of Emission Reduction Purchase Agreements (ERPA)
- Execution and settlement of purchase and sale transactions of EUAs, CERs, ERUs or VERs (European Union Allowances, Certified Emission Reductions, Emission Reductions Units or Verified Emission Reductions)
- Execution and monitoring of payments and settlements
- Administration of liquidity and margin positions

Specific Requirements:

You hold a designation in the interest rate derivatives operations department of a bank or investment company and have a minimum of 2 years working experience. You hold a diploma in Banking (e.g. Bankkaufmann, Bankfachwirt) or from equivalent education. You are a highly self-motivated and diligent, flexible and communicative individual with strong analytical skills. Proficiency in both German and English is an absolute must.

To Apply:

Please send your electronic application to the Director Carbon Investment Advisory:
