

**First Climate is one of the prime Carbon Asset Management firms in Europe. We are a leading provider of carbon offset services, trading and advisory, with a strong global market presence in sourcing and procuring carbon credits.**

To strengthen our team, we are looking for:

## **Project Finance Manager**

*Positions located in India, China, and South East Asia*

You will be responsible for identifying and developing clean energy projects in your respective region. Interacting with project promoters and developers, you will assess and present early stage project opportunities to the central Project Finance team in Zurich. You will establish and maintain relationships with project developers, technology providers, government bodies and local financial institutions, and identify potential collaborations and partnerships. You will support the First Climate carbon asset development teams in project finance aspects.

### Key Responsibilities:

- Identify and develop clean energy projects
- Collate project information and documentation
- Conduct due diligence and risk assessment of the project and the promoters
- Develop market and sector knowledge
- Identify potential collaborations and partnerships

### Specific Requirements:

You have a degree in Economics, Finance or Engineering with an MBA and a minimum of 3-5 years experience in renewable energy projects. You have strong knowledge of the sectors, regulations, incentives, and government bodies involved. You also have a good understanding of the opportunities, developers and technology players. You are highly self-motivated, communicative, and flexible and able to work independently. Proficient in English and local languages is a must. Willingness to travel is expected.

### To Apply

Please send your electronic application to the Head Human Resources Management:

Linda Manieram  
First Climate Group  
Stauffacherstrasse 45  
CH-8004 Zurich  
Switzerland
