

First Climate is one of the prime Carbon Asset Management firms in Europe. We are a leading provider of carbon offset services, trading and advisory, with a strong global market presence in sourcing and procuring carbon credits.

To strengthen our team, we are looking for a:

Manager Carbon Credit Development

Position located in Bad Vilbel/Frankfurt am Main, Germany

In First Climate AG's Risk and Methodology Department, you will team up with a Senior Manager. In your mainly office-based position, you will support internal due diligence processes for the purchase of carbon credits (VERs, CERs, ERUs) from emission reduction projects, and contribute to project development. You will minimise reputational and delivery risks for the company by advising credit purchase decisions from the perspective of quality control.

Key Responsibilities

- Management and communication of information related to VER standards and CDM regulations
- Adapting the VER assessment process and tools to new developments
- Support to the project managers responsible for project assessment, such as:
 - o Analysis of compliance with CDM/VER Standards
 - o Analysis of methodology questions
 - o Solutions for risk mitigation
 - o Training on application of the VER assessment process
 - o Quality assurance in the VER assessment process
- Risk-based advice to the management on purchase decisions
- Development of CDM or VER methodologies

Specific Requirements

You hold a university degree (Diploma, Masters or equivalent) in natural sciences, engineering or economics. Working experience is an advantage, but not a requirement. You are experienced in conducting calculations and estimations using Microsoft Excel. Your strengths are analytical and methodological work, accuracy, responsibility, risk awareness and creativity. Prior knowledge of the CDM, VER Standards, Risk Management and/or financial calculations is an advantage. Proficiency in English is a must.

To Apply

Please send your electronic application to:

Jutta Rothe
First Climate (Germany) GmbH
Industriestraße 10
61118 Bad Vilbel
Germany
E-mail: jutta.rothe@firstclimate.com

In your application please quote job reference # RM_108, state your salary expectations and earliest start date. You are welcome to include a work sample, such as study or diploma thesis.
