

With twenty years of experience and over 500 large and medium sized customers, First Climate is among the leading service providers in green energy, climate neutrality and water sustainability worldwide.

To strengthen our team, we are looking for:

Expert Renewable Energies (m/f/x) with main focus on PPA

Position located in Bad Vilbel, Frankfurt/Main (Germany)

First Climate Markets AG is a leading international service provider in carbon and renewable energy markets. As a specialist, we cover the entire value chain from project development to commercialization. With twenty years of market experience, we are one of the pioneers in this field. In our core markets, we are a leader and firmly established.

In the area of carbon neutrality, green energy and water services for companies, the existing market potential is outstanding, and the development prospects are excellent. To realize this potential, we are looking for you as a new member of our dynamic and international team. You report directly to the head of department.

Key responsibilities

- You develop proposals around our products and services in the field of renewable energy for corporate customers
- You deliver customer-specific market analyses, reports and renewable energy procurement strategies
- You advise our customers on Power Purchase Agreements (PPA)
- You are responsible for proposals as well as contract and price negotiations right up to the conclusion of the contract
- You build up long-term customer relationships
- You continuously observe and analyse the market and the competitive landscape

Specific requirements

- You have successfully completed a university degree or comparable education and have at least 3 years of professional experience with a focus on renewable energy either in the energy industry or at a management consultancy.
- You have already gained experience with Power Purchase Agreements.
- You bring client focus as well as sales and presentation skills.
- You are a proactive and structured team player with a high degree of responsibility and entrepreneurial thinking
- Proficiency in German and English are essential, any other languages are a plus.

What we offer

You can expect a well-positioned company in a growing market with a committed, motivated team and flat hierarchies.

Expect good work equipment and first-class development perspectives in the field of climate protection.

To apply

We look forward to receiving your complete application including salary expectations and availability per E-Mail to careers@firstclimate.com.
